I promise I will …..

- use the computers and the internet according to my teacher’s instructions

- tell my teacher if I see anything that is not suitable on the computer

- take good care of the computers

- work fairly with others on the computer

Parent/Guardian’s Name ________________

I support the school in the use of the Internet for educational purposes and agree to discuss appropriate uses of the Internet and computers with my child. I acknowledge that any breach of this policy will be directed to the Principal and I will be notified.
